You will work in the heart of Norwich. We are proud of our award-winning campus, which has played a pivotal role in regenerating an exciting quarter of the city.

Our 21st century teaching spaces and workshops are housed in renovated buildings with Medieval, Victorian and Edwardian heritage. Norwich University of the Arts won the Outstanding Estates Strategy Award at the 2018 Times Higher Leadership and Management Awards.

In support of its new Strategy, the University has recently acquired a new building in the heart of Norwich. Bank Plain, a former bank, is an additional 37,000 sq. ft of space and an ambitious commitment to being a high profile, civic university championing the creative arts.

Ninety-four per cent of our graduates are in work or further study six months after graduation, and Norwich University of the Arts won a Guardian University Award for Employability and Entrepreneurship in 2019 for our innovative 'gamification' of careers advice. You will find our graduates in key positions across and beyond the creative sector and industries.

There are of course Oscar nominees and BAFTA winners, but also rising stars who are honoured across the creative industries: from D&AD Pencil winners, to emerging fine artists, photographers and fashion designers.

We're looking for someone who can help our students experiment and explore a broad range of technical processes and support the development of their professional skills and personal style.

You will be overseeing a creative and busy workshop environment where students can learn their craft and develop skills in screen printing, dyeing, foil and flock, heat transfer, natural dyeing, resist dyeing processes, Devore and digital sublimation printing.

We also encourage collaboration across disciplines so there will also be opportunities to support students across all our creative courses.

We would like somebody who is friendly, helpful, committed, hard-working, willing to learn and enjoys problem solving and using their initiative.
