It will then undertake the process of notifying the student of their loan package for the upcoming academic year.
- 1.5. Details of the U.S. Financial Aid Loan (U.S. Federal Aid) Programme available at Norwich University of the Arts (including contact information) can be obtained from [the College's U.S. Federal Aid webpage](#) and scholarship details can be obtained from the [College's Fees and Scholarship webpage for international students](#). These pages include specific financial aid information for U.S. Citizens, including for the U.S. Department of Education's Direct Loan programmes.

2. U.S. Student Financial Aid Eligibility and Procedures

- 2.1. Specific U.S. Federal aid (Fed Aid) and U.S.-based private student loan information is available from [the College's U.S. Federal Aid webpage](#).
- 2.2. The Terms and Conditions in force at Norwich University of the Arts for recipients of Student Loans from Title IV Federal funding and Private providers (such as Sallie Mae) are available from the College's Federal Aid Handbook ([US Federal Loans Handbook](#)), which is updated annually and available automatically upon application to the Fed Aid or by contacting the [Fed Aid Office directly via email](#).
- 2.3. To receive Federal Student Aid, students must satisfy the Federal Aid rules for eligibility and the College's rules for admission and continuation of study. The determination of the amount of the Aid package for a single academic year is capped at the value of the Cost of Attendance (COA) as determined by the College. Eligibility requirements and procedures for applying for aid are available from [the College's U.S. Federal Aid webpage](#). They are also sent out directly to students when the College receives notification of your FAFSA application or when an offer for a place at the College has been made.
- 2.4. Every year the College will contact all registered students who are identified by the Norwich University of the Arts student record system as being U.S. citizens to confirm that the College is a participating Title IV school and that we participate in the Direct Loan Program (including Stafford Loans and PLUS loans). Candidates who are applying to the College for the first time are supplied with guidance on how to progress their U.S. Federal Aid application.
- 2.5. Federal Student Aid is disbursed at the start of each term of the academic year (or as near to the start of term as possible for late applicants) and is disbursed through the means of GBP bank transfers. Students are notified of the disbursement dates and the amounts due to be disbursed at the start of the academic year. They are also notified shortly before the disbursement is made.
- 2.6. Students have a right to cancel their disbursements at any point prior to the disbursement date of the loan. Students also have a right to cancel up to two weeks after the actual disbursement date however, as the origination and disbursement process will involve foreign currency exchange from USD to GBP (and any post-disbursement cancellation from GBP back to USD), the College strongly recommends that the right to cancel is invoked at least one week prior to the disbursement date, before any currency exchange has occurred. Requests received later than two weeks after the disbursement date cannot be processed.

- 2.7. Students have the responsibility to remain in good academic standing with the College. Good-standing means that the student has maintained not infringed [the College's Student Regulations and Procedures](#), does not have disciplinary procedures outstanding, that they have maintained appropriate conduct within the student academic regulations, including attendance requirements. Section L and M therein provide details on unacceptable behaviours and disciplinary procedures, including for academic misconduct.
 - 2.8. Students have an obligation to progress at a satisfactory academic rate within the Federal Aid program and the College's policy on Satisfactory Academic Progress (SAP). That document is issued when students are notified of their U.S. Federal Aid package, or on [the College's U.S. Federal Aid website](#). Further details are available in [the College's Student Regulations and Procedures](#).
 - 2.9. The terms of any loans received through Federal Student Aid are available to all students through the Master Promissory Notes (MPN), and the Entrance and Exit Counselling requirements of the Federal Aid process at the College. The College requires new MPNs to be completed during each year of access to Federal Student Aid, Entrance Counselling, which is completed at the beginning of each academic year of study, and Exit counselling, which is completed before the end of the final term in the student's final year of study. These are standard platforms for informing students of the Federal terms & conditions of their loans, provided with sample loan repayment schedules and counselled in the necessity of repaying their loans.
 - 2.10. All U.S. Citizens and eligible non-U.S. nationals receiving Federal Student Aid at the College are obliged to adhere to the terms and conditions of their visa requirements as set out by the Home Office/UK Visas & Immigration. These conditions are explained to visa holders upon receipt of their visa and in advance in the College's visa guidance materials, submitted directly to candidates who accept their offer of a place at the College and who require a visa to study in the UK.
3. Refund Policy, Requirements for Withdrawal and Return of Title IV Financial Aid
 - 3.1. The College's Refund Policy can be found within the current Student Fees Payment Policy (of which there is one for undergraduate students and one for postgraduate students), as well as in the Refund and Compensation Policy. The latest policies are available on [the College's Admissions Policies webpage](#). Refund policies with respect to your living arrangements (e.g. rent and utilities costs) will be dependent upon any contract that was signed by the student. Information and clarification should be sought from the landlord (or their agents) and/or the relevant utility provider.

- 3.2. Students wishing to withdraw from the College before the completion of their studies must follow the requirements within the Student Fees Payment Policy. This requires them to complete a withdrawal form and send it to the Course Administration Office. Students should not assume that simple non-attendance will signify their formal withdrawal from the College. Contact details are provided to students prior to their enrolment.
 - 3.3. If a student in receipt of Title IV loan funds withdraws from their programme of study or interrupts their studies by more than 180 days or falls below a full-time (at least 50%) attendance level, their loan payments will stop, and the college will follow the U.S. Department of Education's requirements for returning loan funds. The College's leave of absence – or intermission – policy is stated in [the College's Student Regulations and Procedures](#).
 - 3.4. Once a student is considered withdrawn, the College will review the student's current loan and decide if any funds are due to be returned to the U.S. Department of Education in line with the Return of Title IV Funds Policy. That Policy can be obtained [the College's U.S. Federal Aid website](#) or by contacting the [Fed Aid Office directly via email](#).
